This year's Walk For Our Children will be bigger with a different twist! Themed "Celebrating Childhood! Our memories, Our aspirations", the event will take participants on a stroll down memory lane as we commemorate Singapore's 50th year of independence.

This signature fund-raising event organised by Singapore Children's Society, will include a 3km walkathon followed by an exciting carnival and fringe activities, such as stage performances and special mascots appearances.

We invite you to join us in having a fun day bonding with your family and friends, while helping the beneficiaries under our care.
