

PAINTINGS FOR AUCTION

Final call for bids

Support young artists' works and contribute to the OCBC-TODAY Children's Fund

SINGAPORE – Here is your final chance to own a piece of Tyler Tan's or Dylan Alexander's artworks, and help children from distressed families at the same time.

To view Tyler's and Dylan's complete works and place your bid at this silent auction, head to the OCBC Centre Banking Hall by Nov 14. Proceeds from the auction will go to the OCBC-TODAY Children's Fund, which was set up in 2013 to help children who have suffered the effects of neglect or abuse.

The OCBC-TODAY Children's Fund focuses on the emotional needs of children from distressed homes. Donations go towards Singapore Children's Society and its beneficiaries. The money will be used to support the cost of counselling and therapy to build up the children's self-esteem and empower them to strive towards a better future. **PRODUCED BY THE TODAY SPECIAL PROJECTS TEAM**

Dylan with his painting, In Those Dark Recesses...

Black Ants Nest My favourite part was making the 'ants' and sticking sand on the canvas.

My Dream Buildings I wish there were no cars, so I could cycle everywhere. The air is clean, and it's always sunset – my favourite time of the day.

Splat! This was supposed to be the background of Sea Giant. But it turned out so nice, I decided to keep it as it is.

Sea Giant The crazy fish I drew became a crazy giant whale.

The Tiger King He rules the world with kindness.

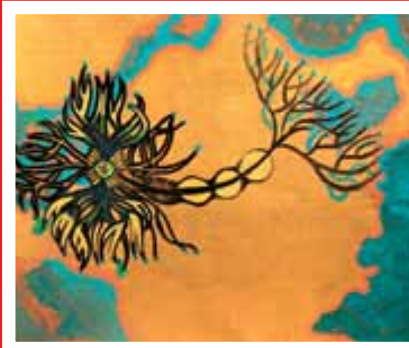

Dog I like dogs and wish I had a pet dog.

King of the Sky I first saw a vulture at the Jurong Bird Park.

Tyler holds his painting, Eyes of the Sky.

That Which We Think in Isolation Single neuron on gold background.

Walking the Night Throughout Couple holding hands on canvas with dripped-wax effect.

Stimuli of a Vibrational Nature Pen drawing of the ear.

That Forest Hanging High Up Above the Clouds Blue piece with ink-drip effect.

On Insanity and Other Delightful Things Human skull on greyscale background.

Ace of a Thousand Spades A bleeding ace of spades on black background with white crackle paint.

Firing of the Synapses Neurons on gold and bronze background.
